# Exam Submission Report

**Student Name:**     University Student

**Course Name:**     Award in Training and Development

**Exam Title:**     Assignment Exam

**Submitted On:**     2025-06-24 07:24:04

**Que: 1) Demonstrates clear understanding of at least three emerging trends in workplace training and development. 2) Provides detailed explanations of each trend, supported by evidence from academic or industry sources. 3) Discusses the relevance of these trends to contemporary workplace needs. 4) Critically analyses the impact of the identified trends on employee engagement, productivity, and organisational growth. 5) Balances discussion of benefits and challenges associated with each trend. 6) Includes original insights or perspectives, supported by references to strengthen arguments. 7) Includes at least two real-world examples or case studies for each trend discussed. 8) Examples are well-explained and directly linked to the trends and their impacts. 9) The assignment adheres to the word count (1,000 words ± 10%). Word count excludes the Declaration of Original Work, Reference List and any Appendices. 10) Follows Harvard referencing style with a comprehensive reference list and including in-text citations. References are from credible and authoritative sources such as peer-reviewed journals, books, and industry reports. Includes accurate in-text citations for all sourced material. Evidence supports the depth and reliability of the discussion. 11) Includes an acceptable TurnItIn similarity report (below the acceptable threshold). 12) Written in clear, correct English grammar. 13) Well-organised, with logical flow and professional formatting.**
